**Sueño Con Robots
(I Dream About Robots)**

I used some of my free time during lockdown to create a series of illustrations as a way to express how it felt like when I suffered from severe anxiety.

It began as a simple black and white concept then it quickly evolved into sequential illustrations of wide horizons, erratic colors, and self analysis.

Anxiety... Is very complex.

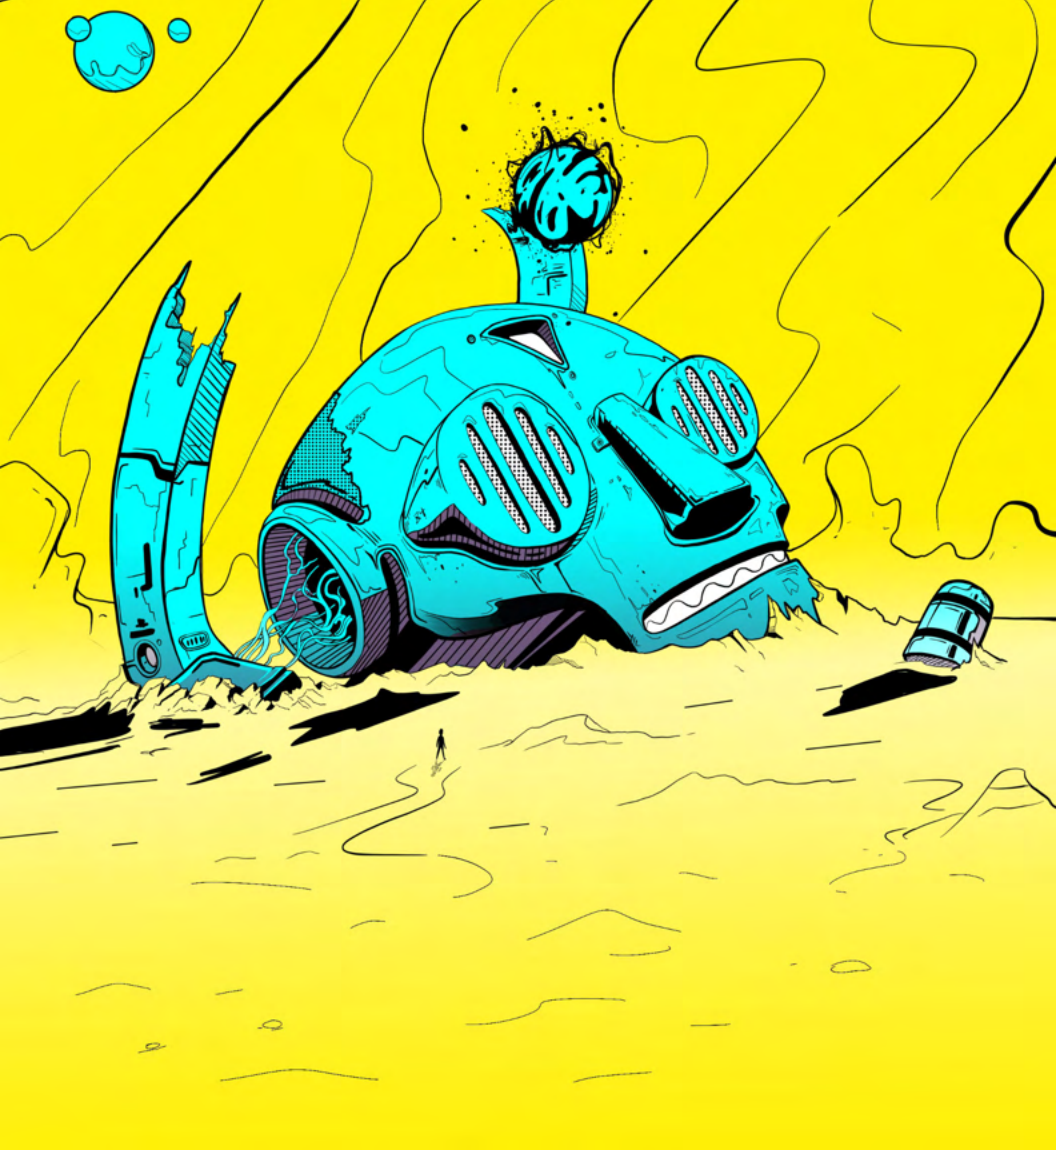

**DREAMS
AND
NIGHTMARES
COEXIST
IN THE SAME
PLACE**

No matter
what I do

I find myself
in the same place

Lost

Confused

Wandering among
The shadows

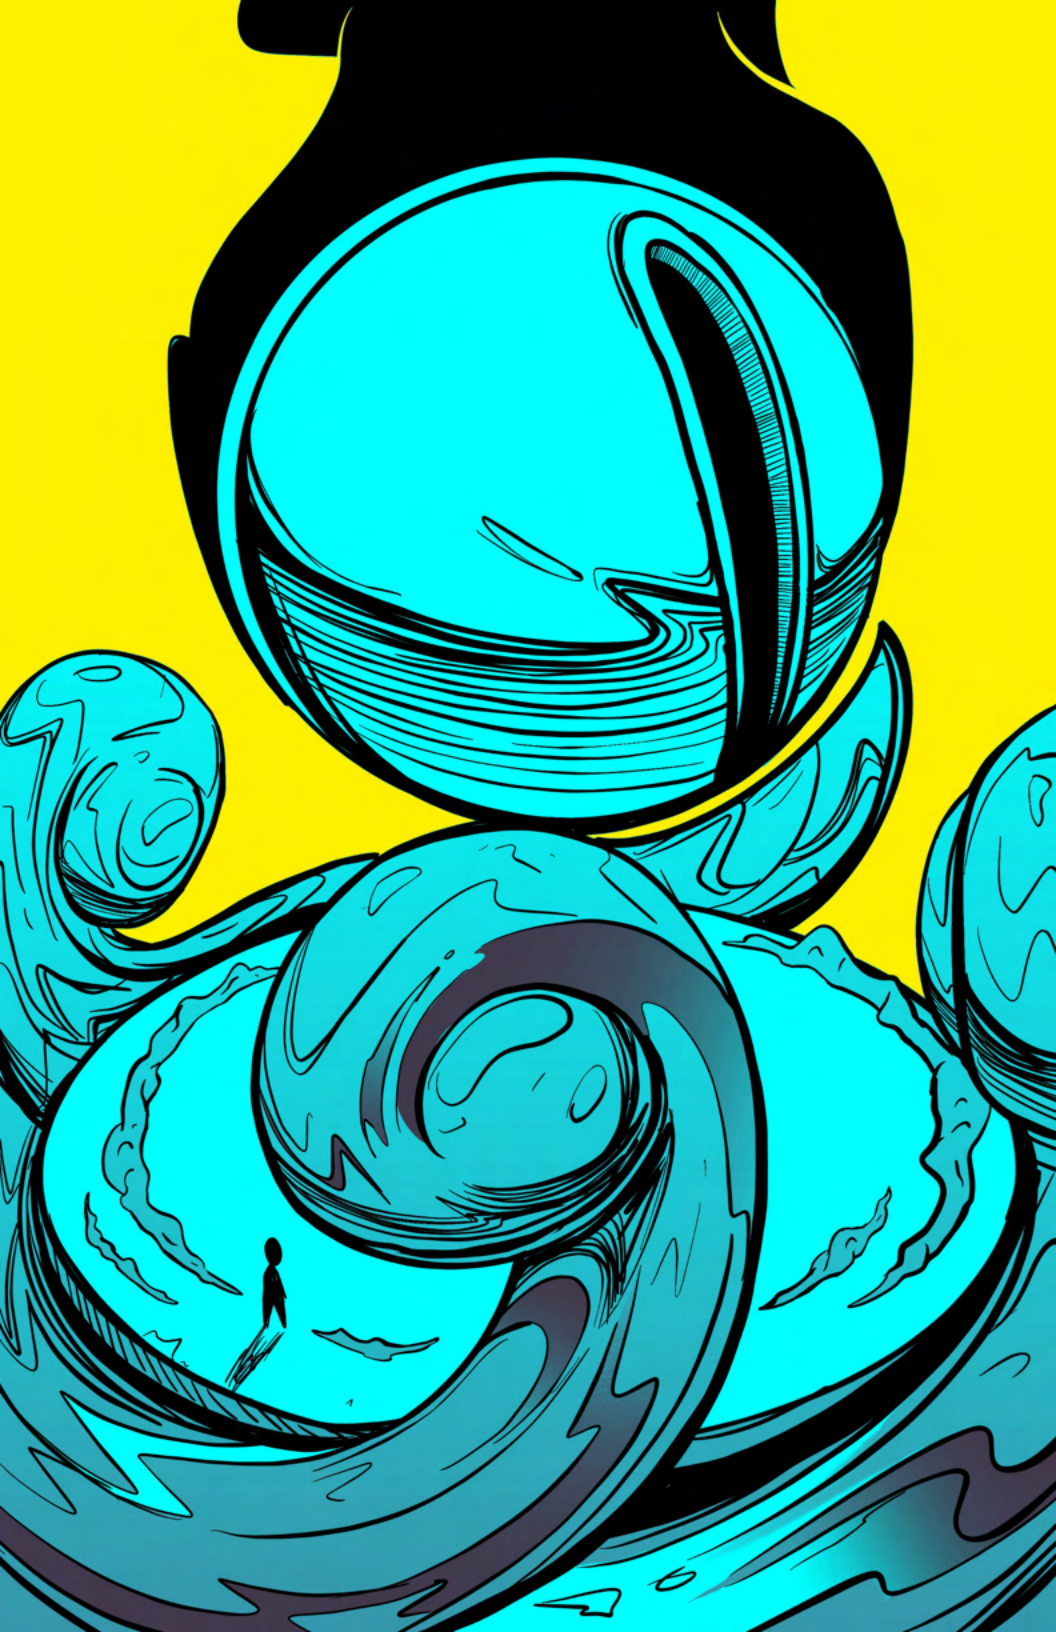

That consumes my mind

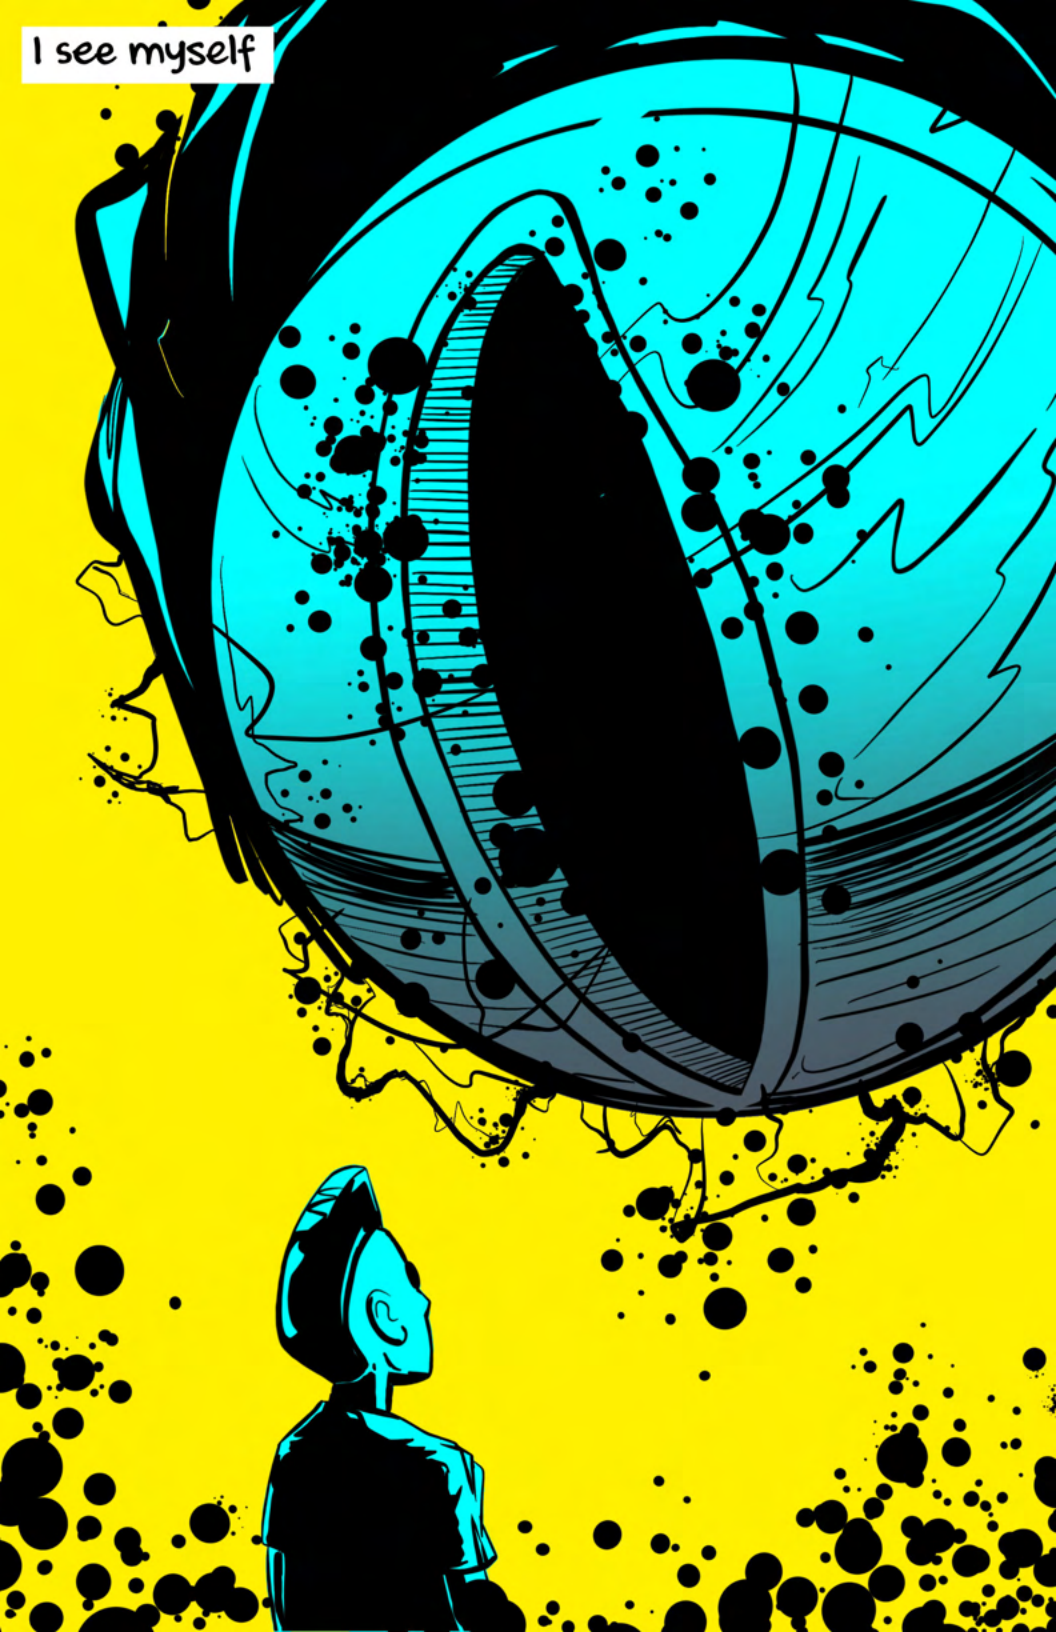

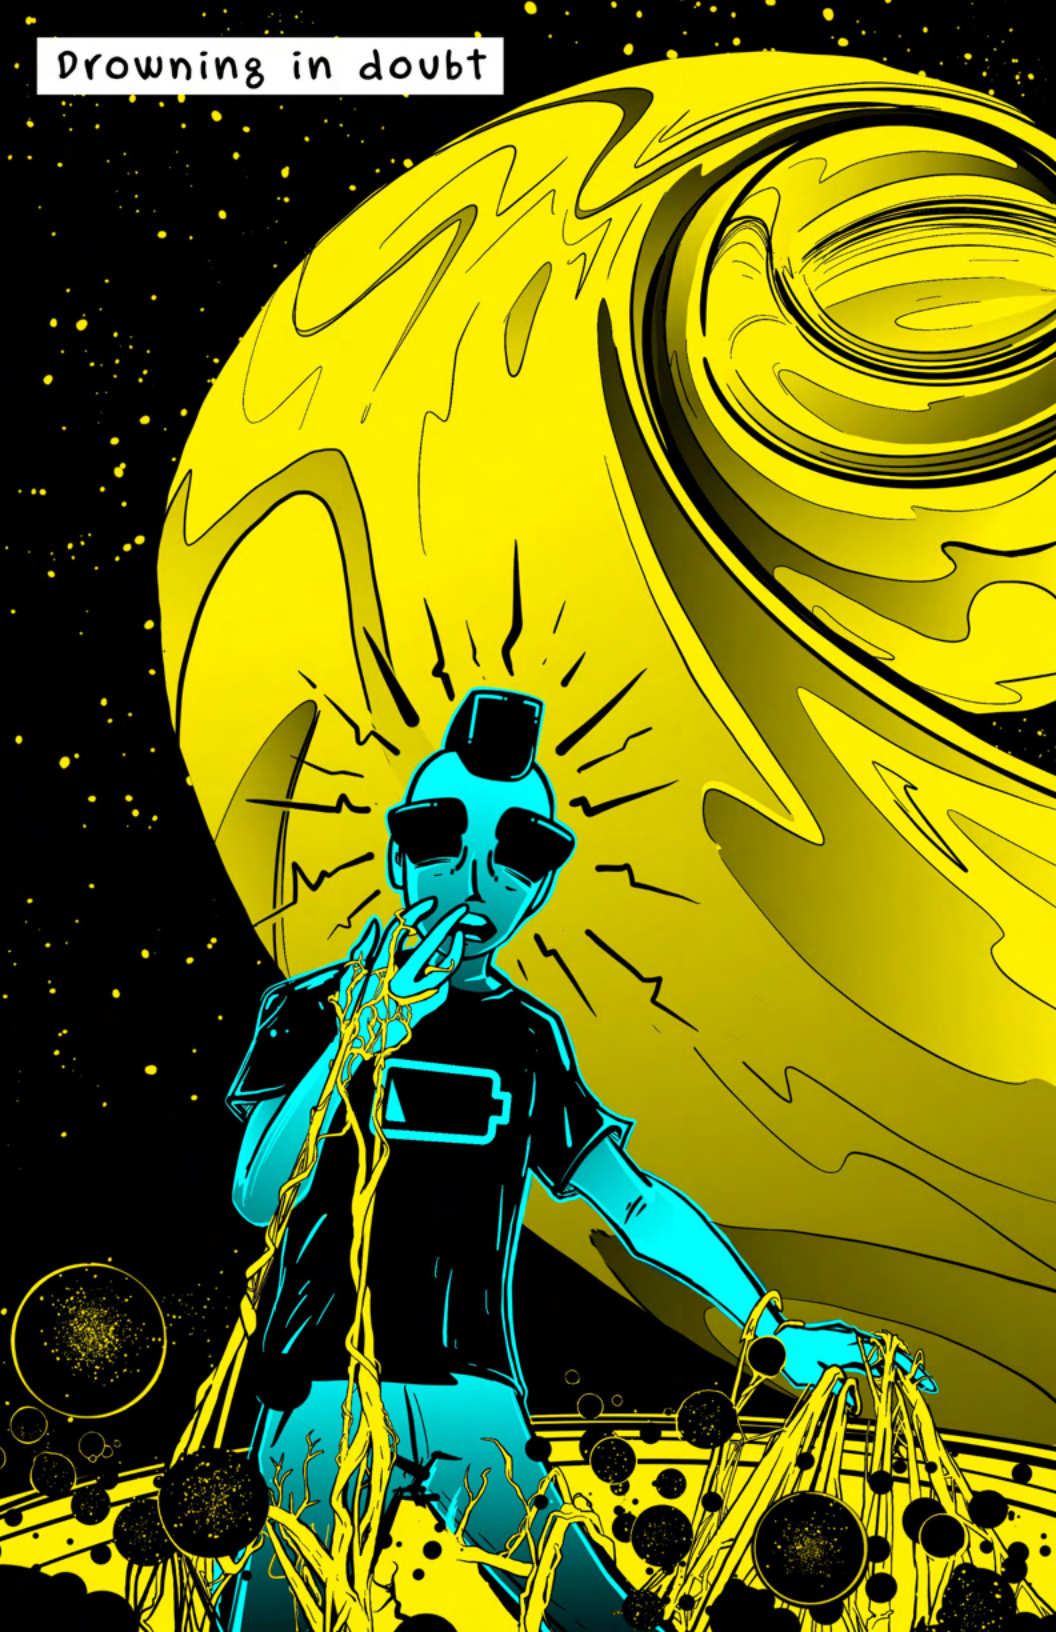

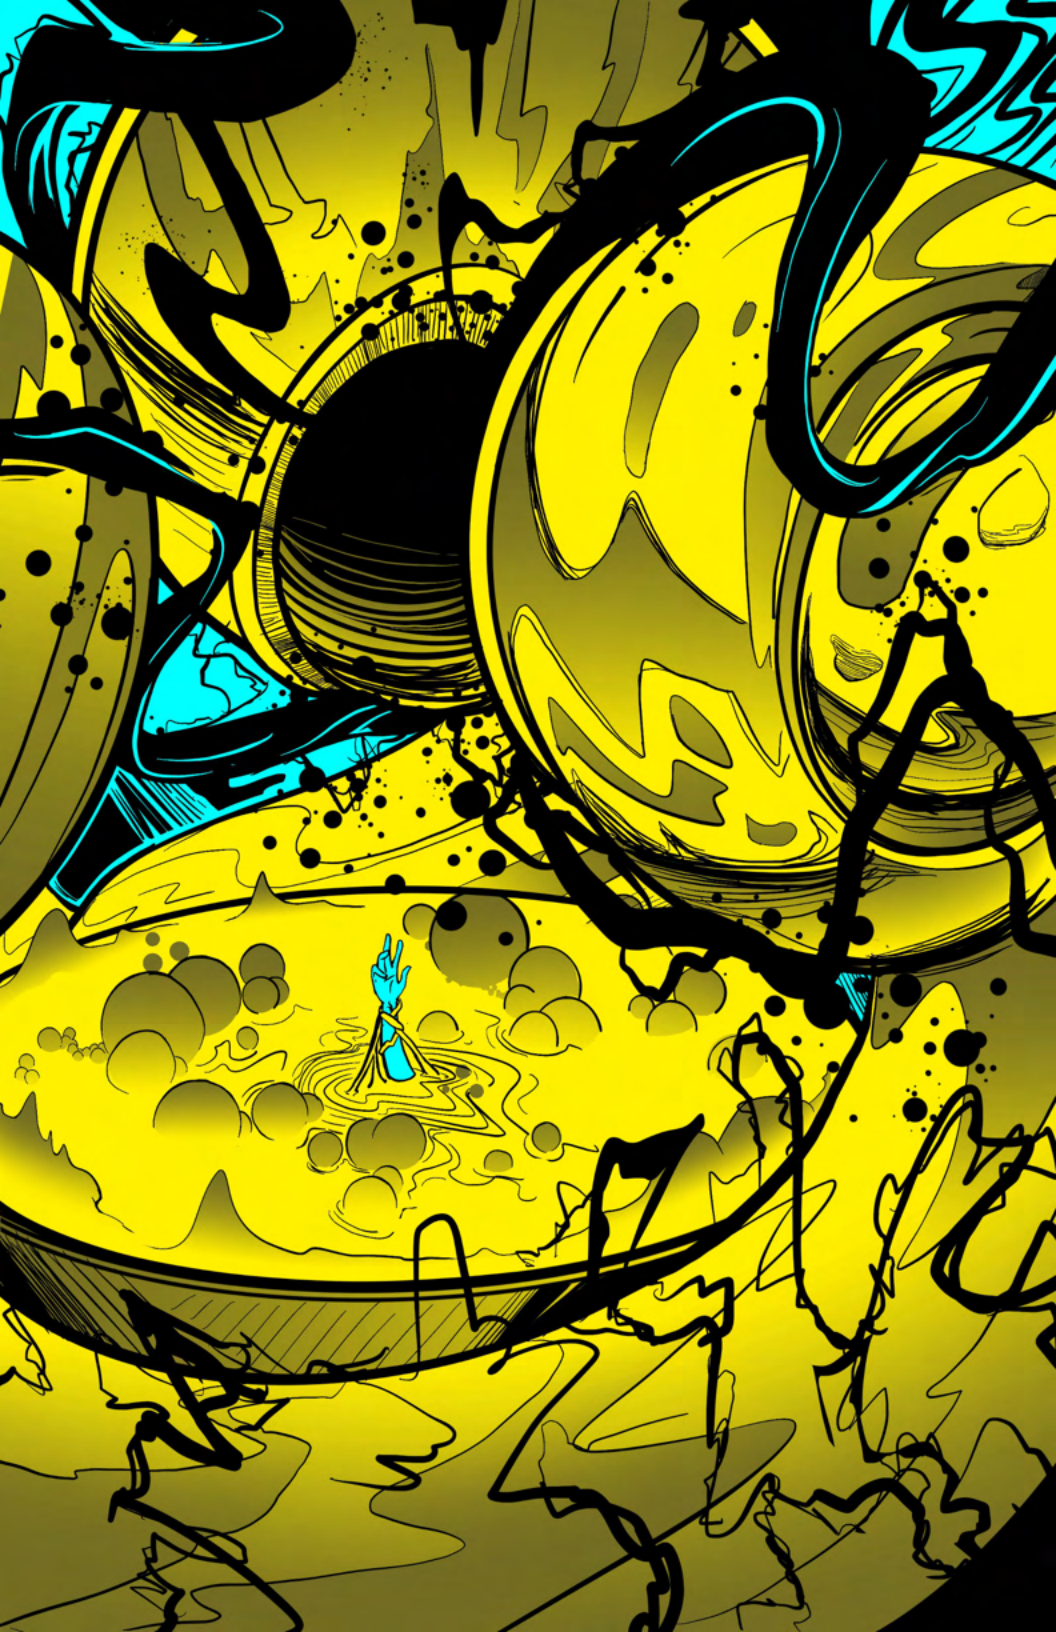

I see myself

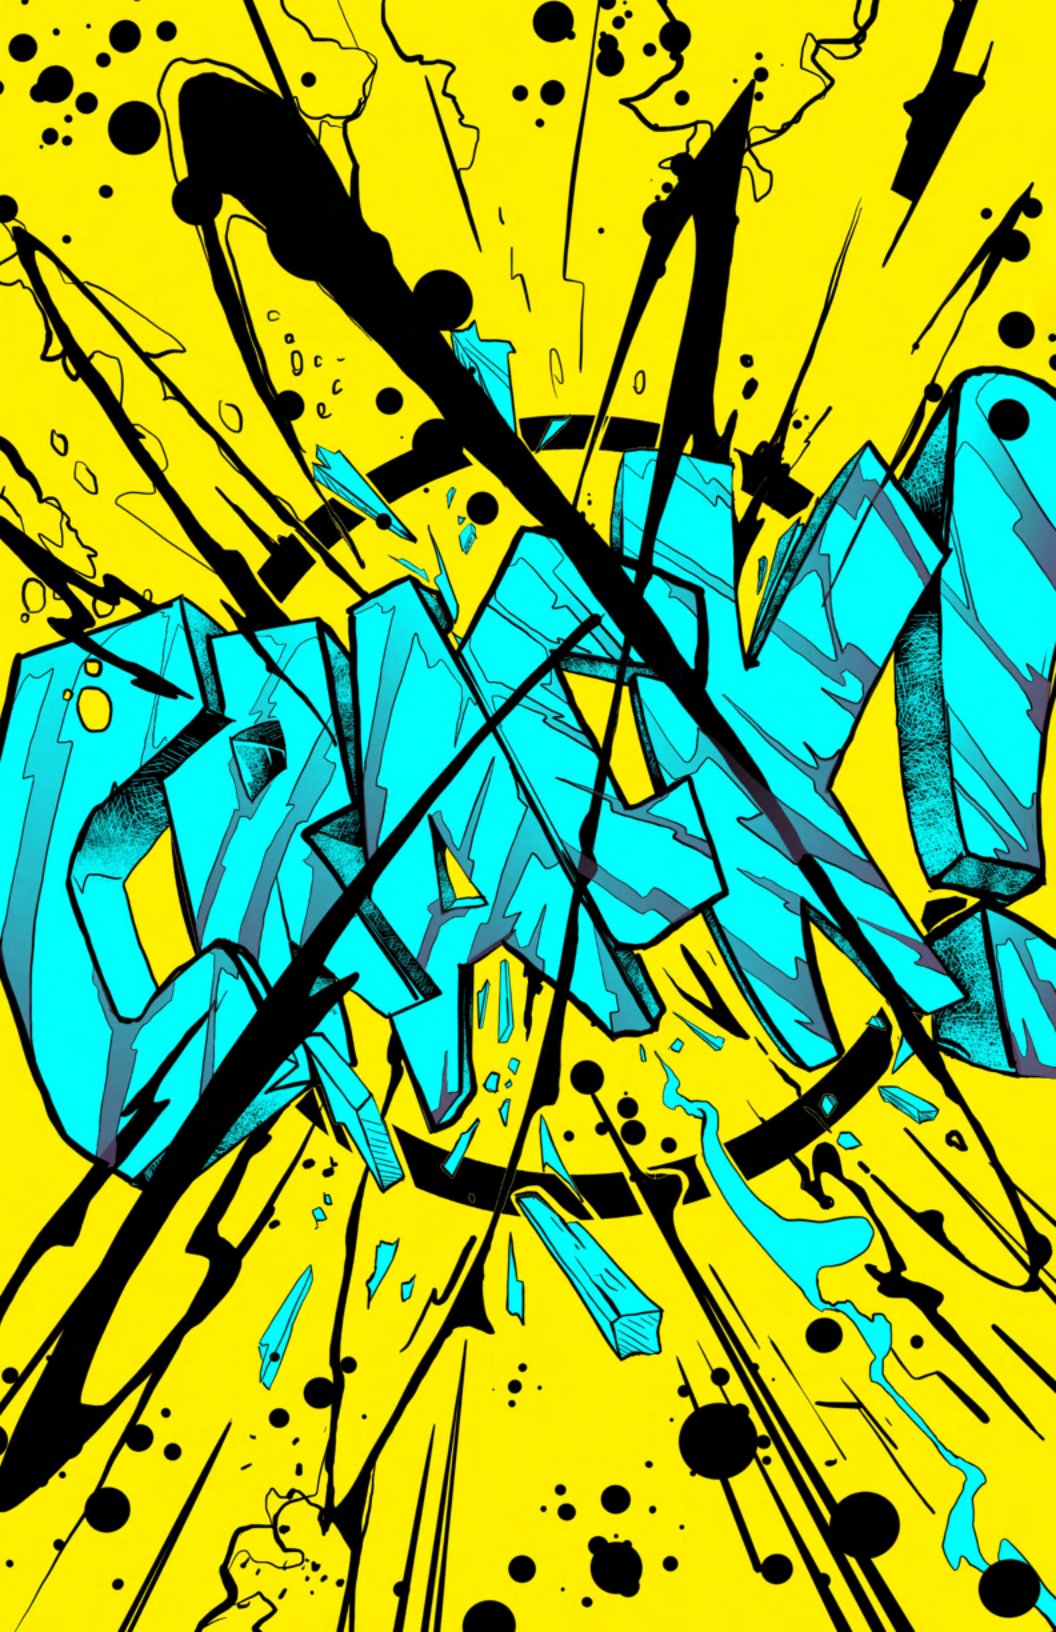

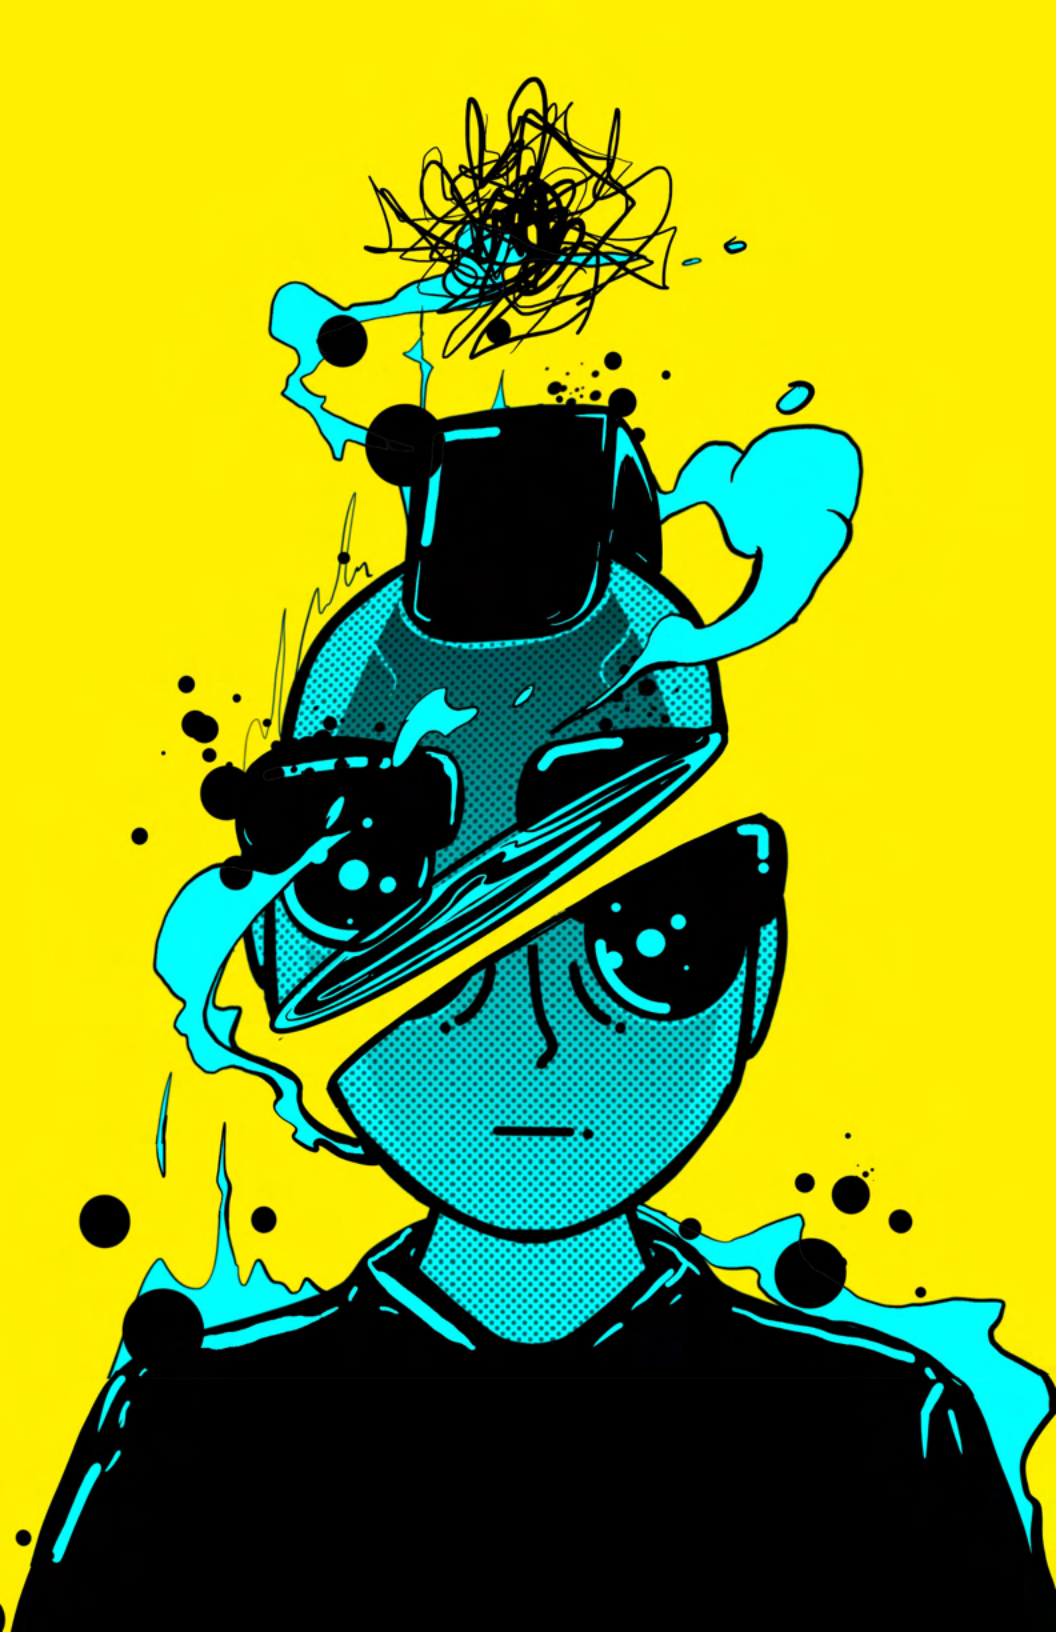

Drowning in doubt

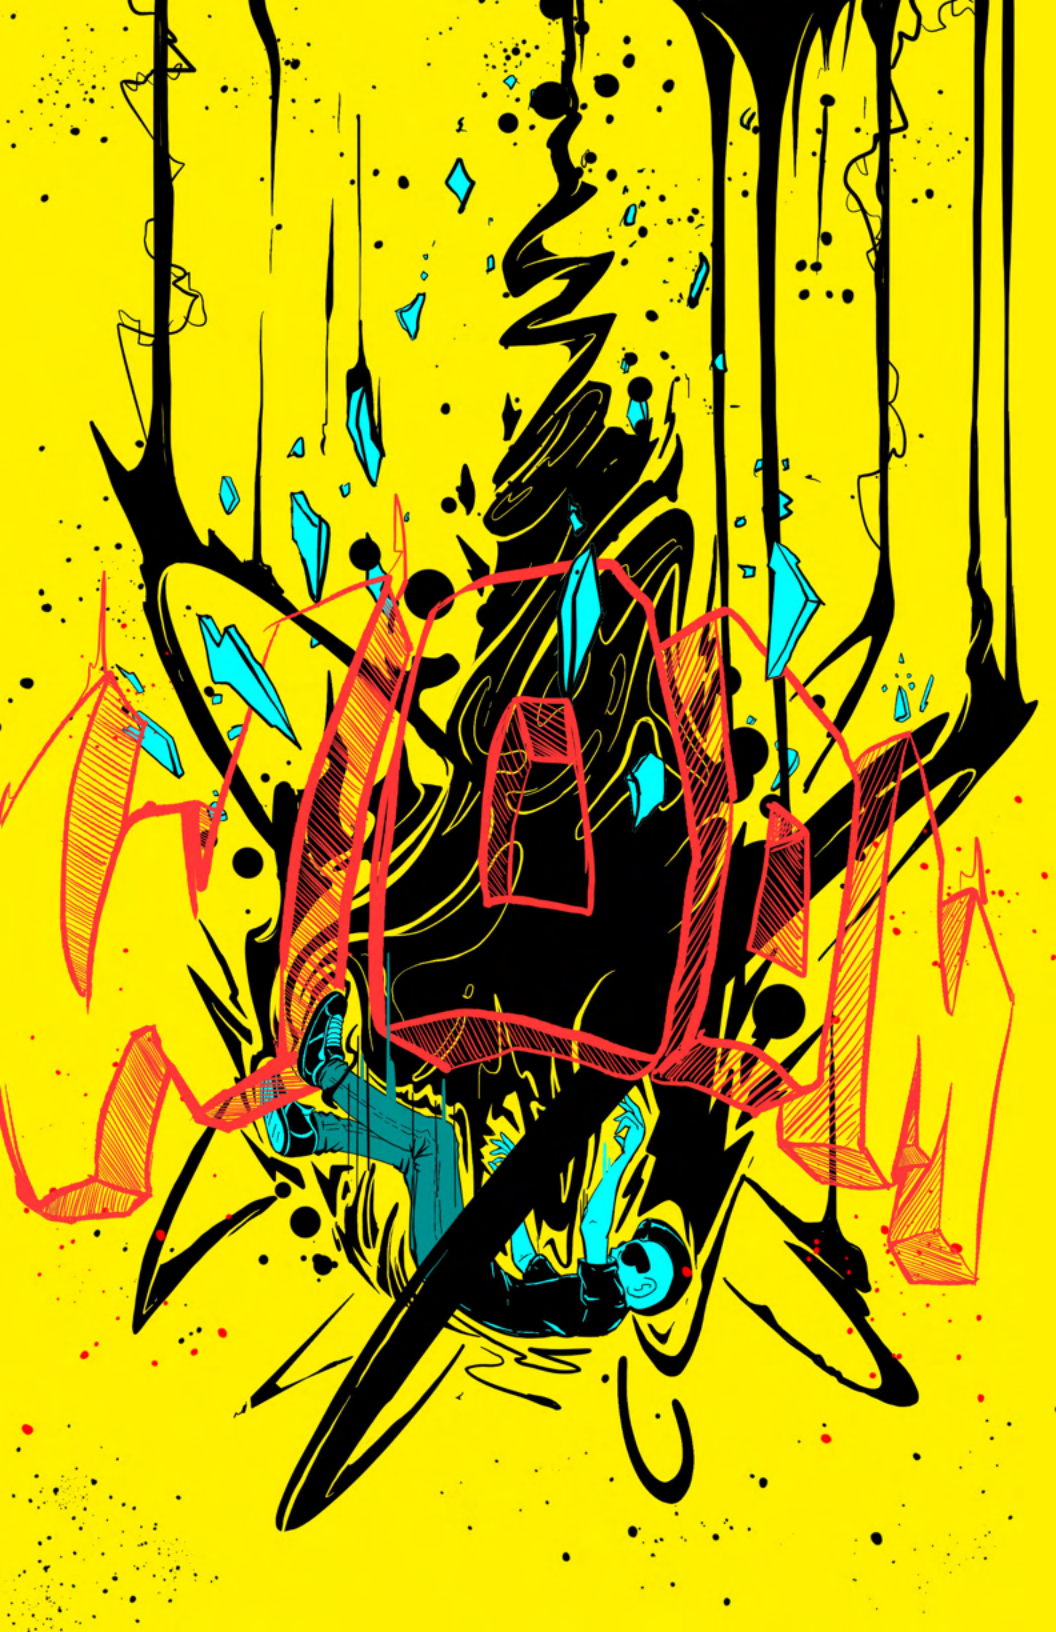

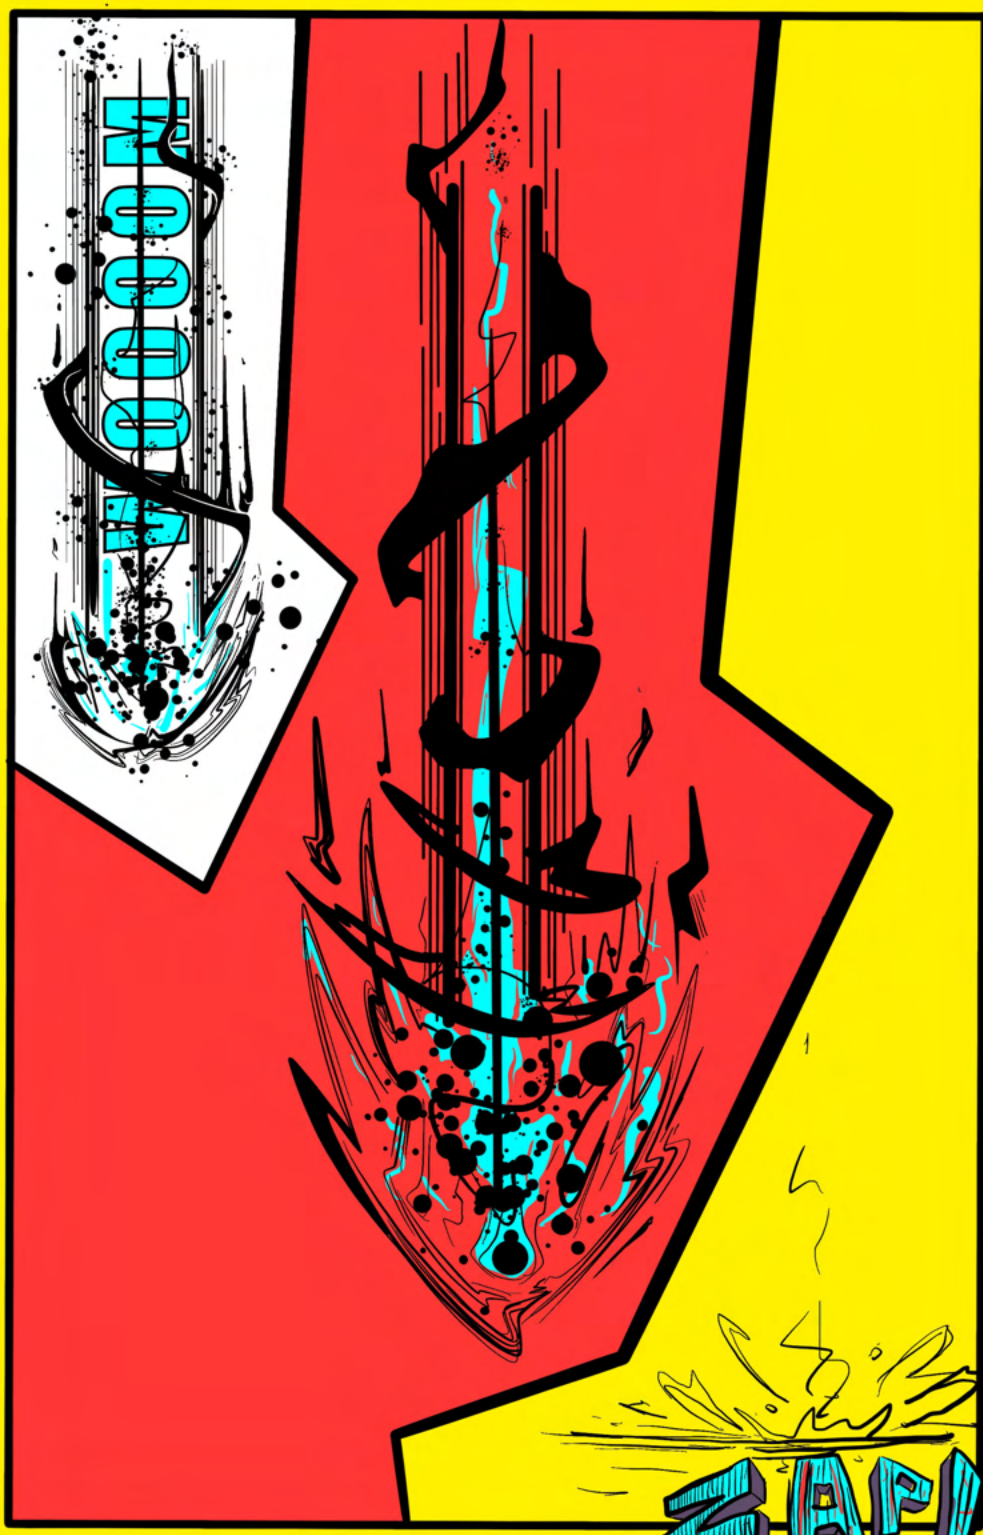

THEN...

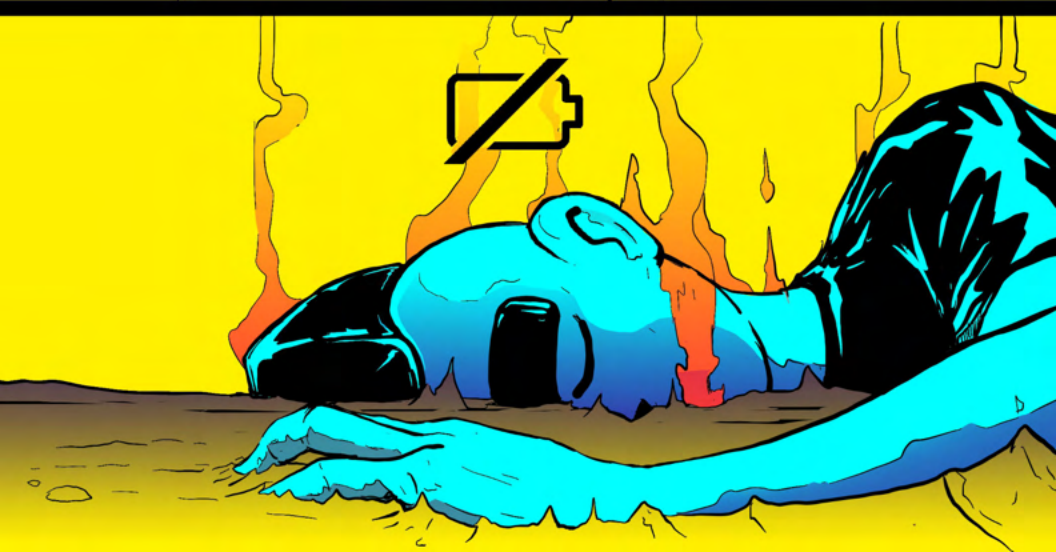

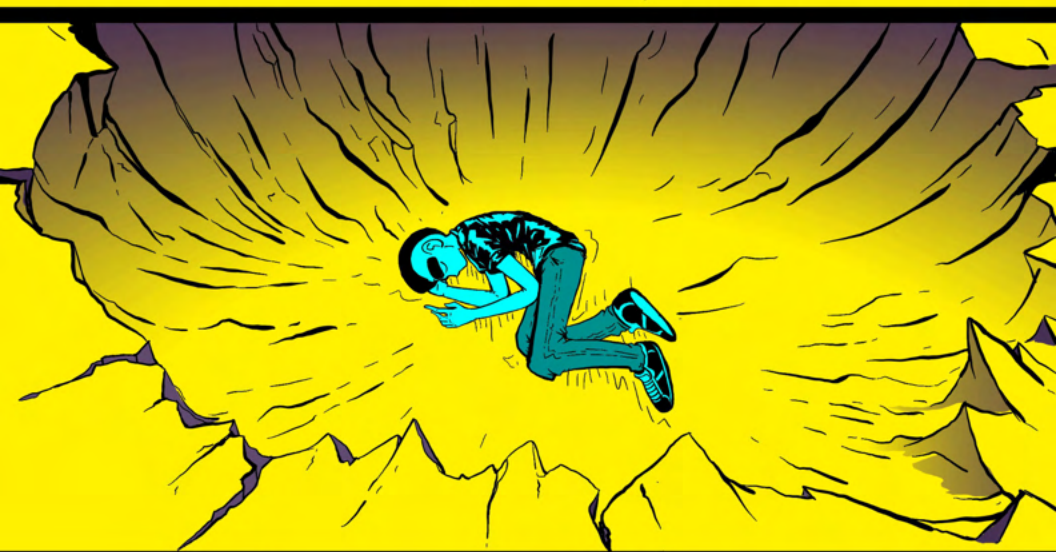

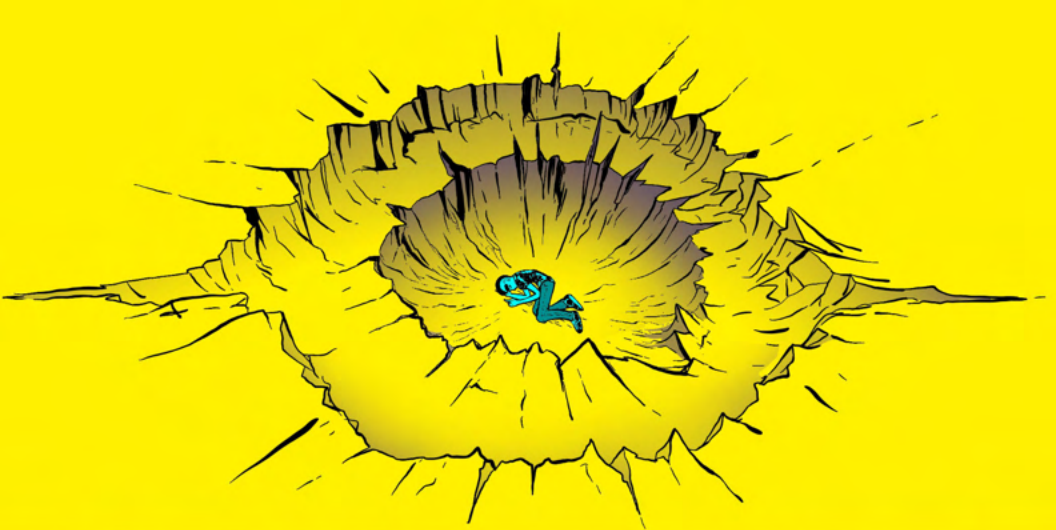

I
FALL!

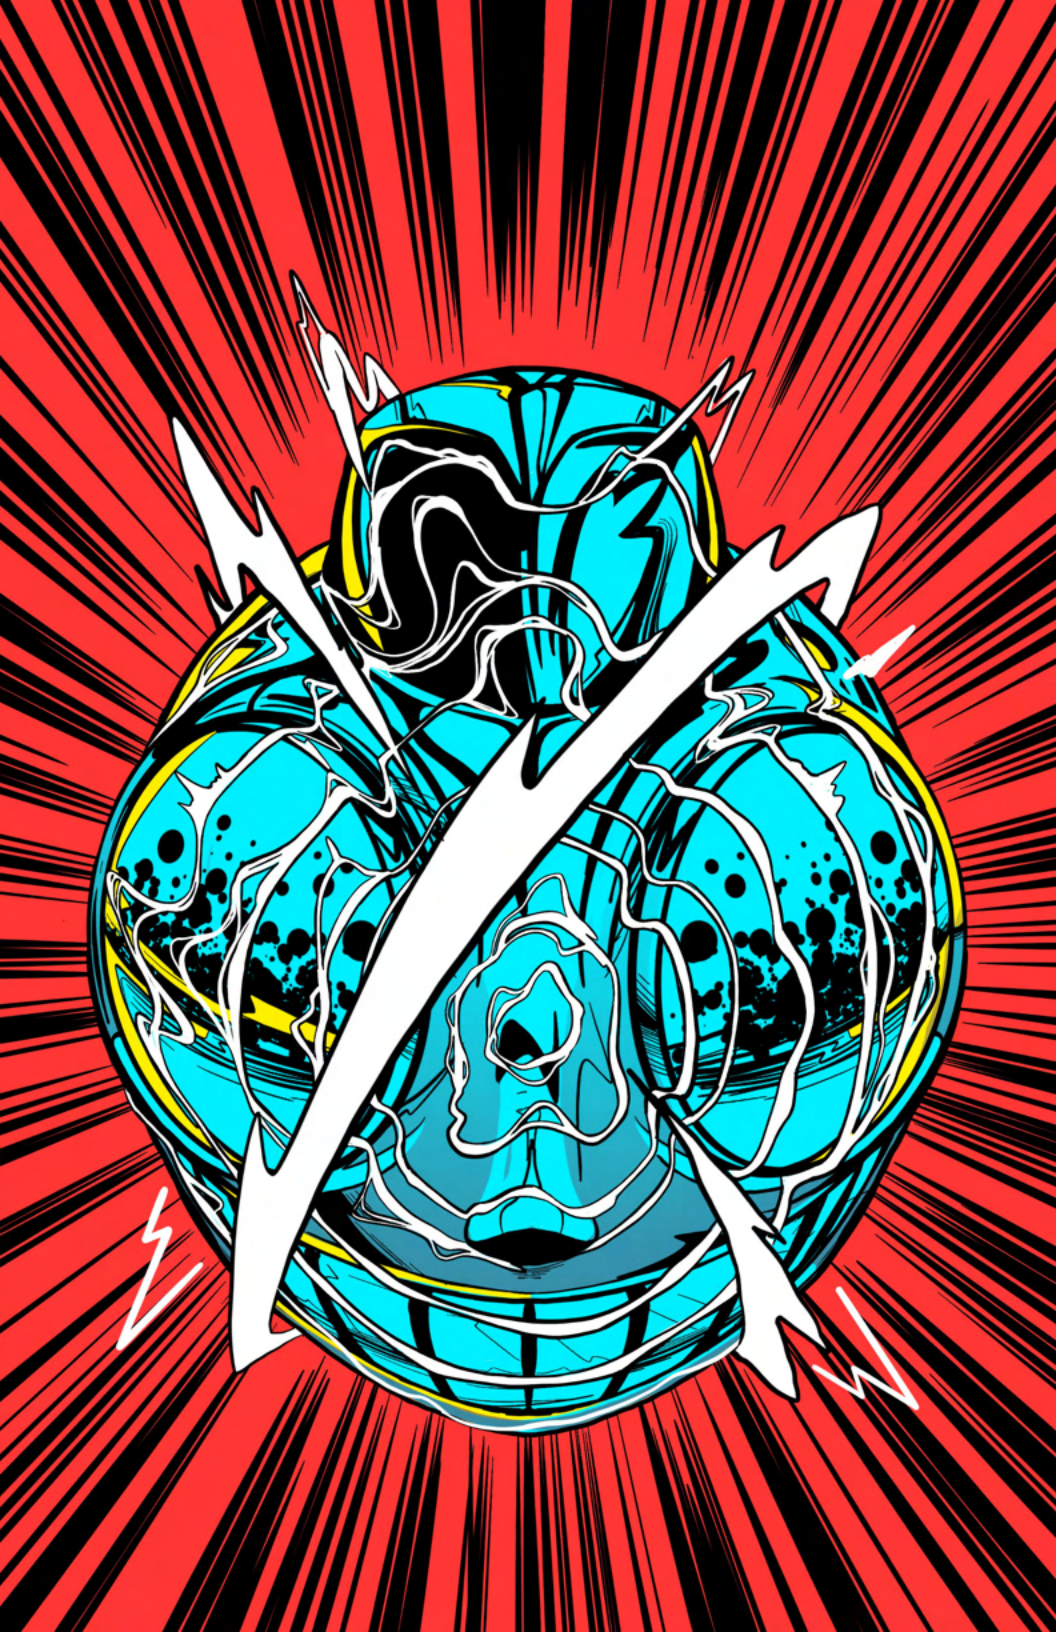

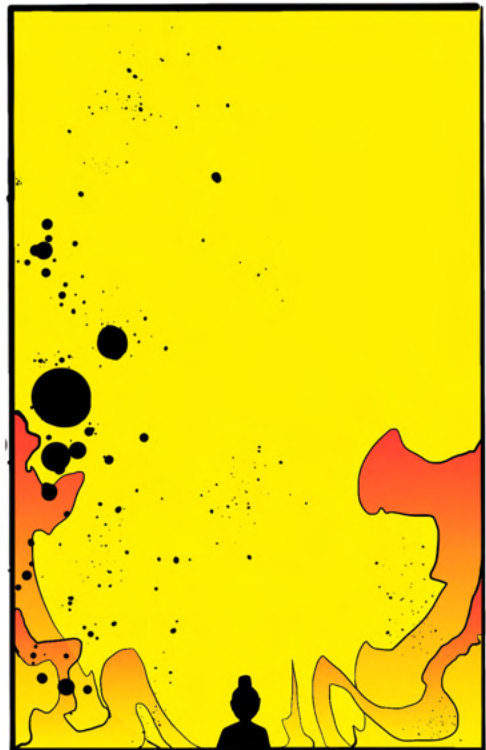

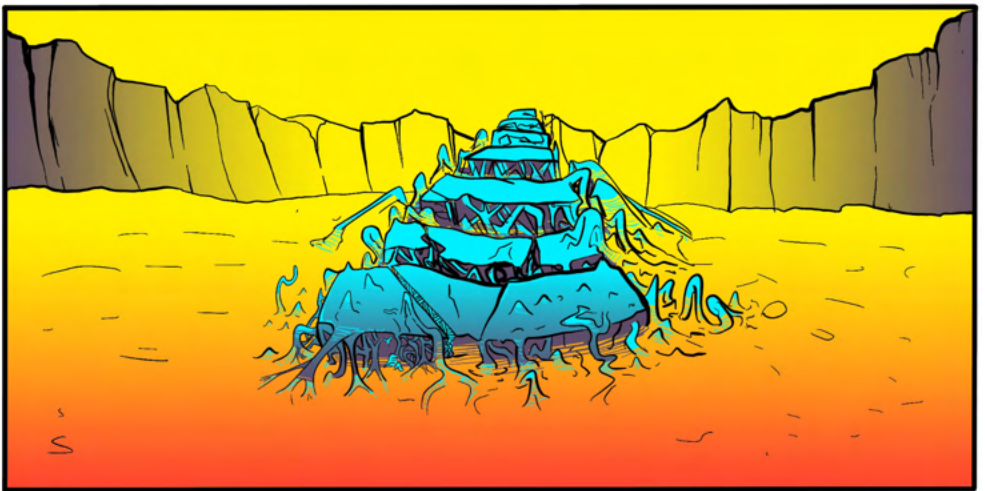

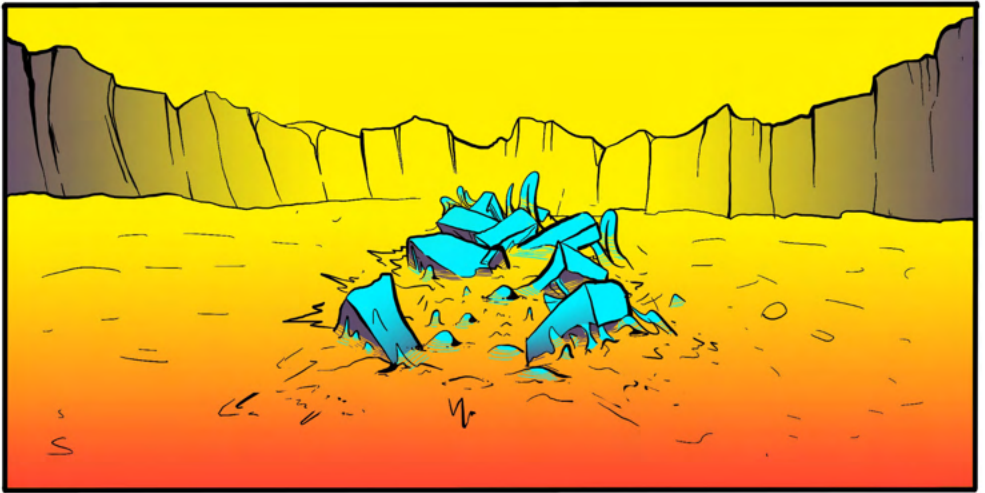

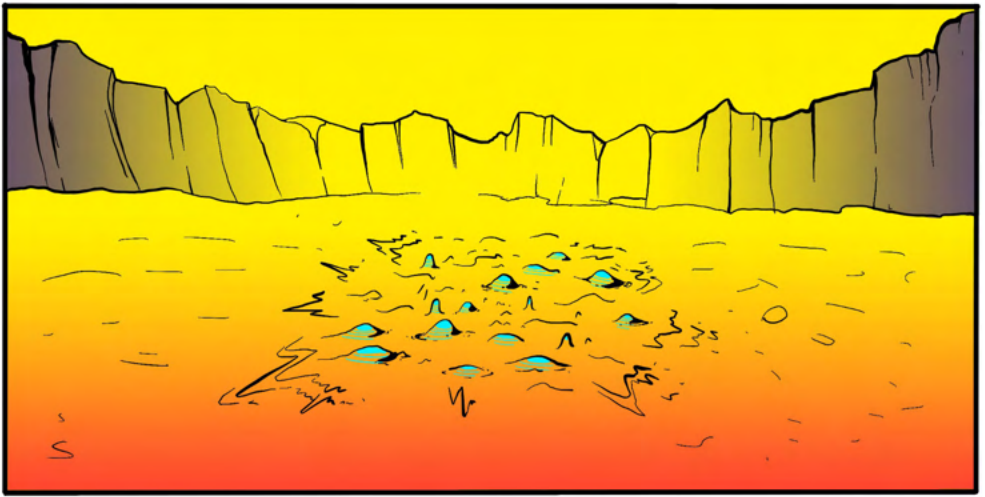

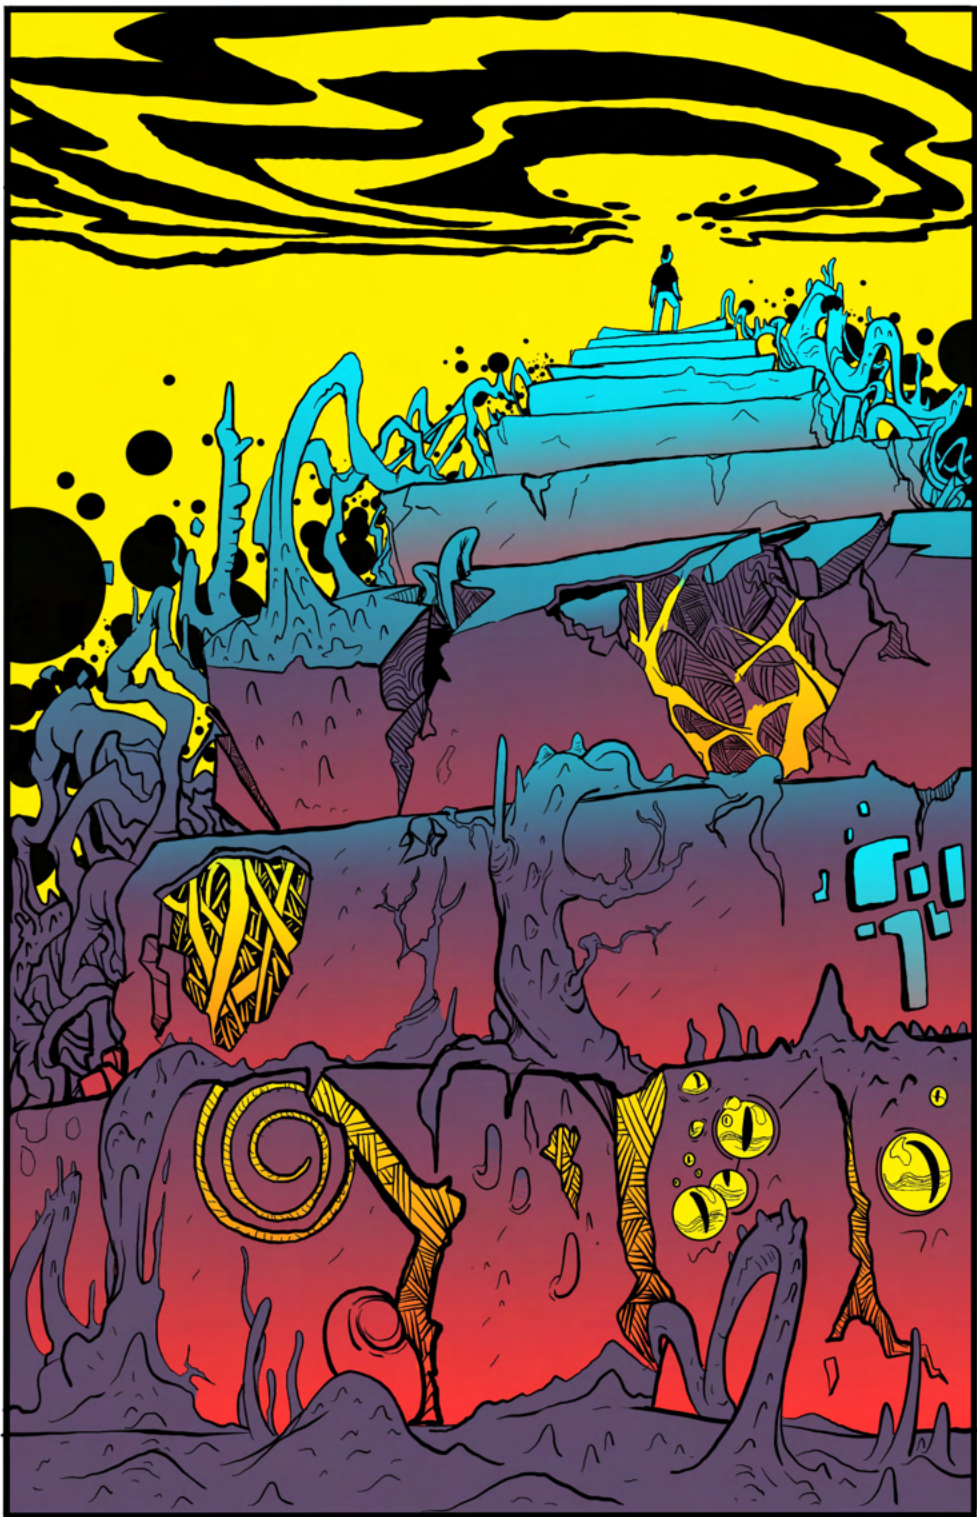

You've
outdone
Yourself!!
